# Last stop of the day for Route 10.

### CITILINK POLICY REGARDING BUSES EQUIPPED FOR PERSONS WITH DISABILITIES

A large portion of Citilink's fleet is accessible to persons with disabilities. As new buses are placed into service, each is equipped with a wheelchair lift or ramp and other equipment to assist persons with disabilities. Citilink timetables are marked to indicate which trips are scheduled to be operated using accessible equipment. Occasionally, due to such things as maintenance requirements of equipment or weather, Citilink will need to substitute a bus without lift equipment on a trip scheduled to be served by accessible bus. It is Citilink policy to provide alternative transportation to persons unable to access a bus because of an inoperative lift or ramp, with an accessible vehicle within 30 minutes. Alternative transportation may be requested by asking the driver of the bus without a properly functioning lift to dispatch a vehicle to your location or by calling the Citilink office directly at (260) 432-4546.
