

# CITILINK COVID MASK GUIDELINES

---

*UPDATED AS OF APRIL 19, 2022*

**As of April 19, 2022 Citilink will no longer require masks inside any facilities or buses for passengers, visitors, or employees.**

**We are still recommending to take precautions and keep our community as safe as possible, you can do so by following these CDC recommendations:**

- **Stay up to date with your COVID-19 vaccines**
- **Get tested if you have any symptoms**
- **People with symptoms, a positive test, or exposure should wear a mask**
- **If you are immunocompromised, wear a mask**
- **Continue to keep a safe distance, wash your hands, and sanitize**
- **Citilink buses and facilities will still provide masks as an option for you**
