About...

CITILINK access

What is Citilink Access?

Citilink Access is a transportation service for persons with disabilities, who, by means of their disability, cannot use the Fort Wayne Citilink "fixed" route bus system.

Citilink Access is operated by the Fort Wayne Public Transportation Corporation, the same organization that operates the Fort Wayne Citilink bus system.

Citilink Access service is provided with small buses or vans equipped with wheelchair lifts. These vehicles can pick you up and take you anywhere Citilink fixed routes go and then, take you back. There are no restrictions on trip purpose or how often you can ride.

Who can use Citilink Access?

Because we must limit eligibility, those interested in using the service must register with the Citilink office and

certify their eligibility. The certification forms are available by calling Citilink information at 432-4546. Hearing impaired persons may call the Fort Wayne Citilink TDD number, 432-9051.

In order to properly schedule the vans so that we can be there when you need us, you must schedule your trip by 5:00 PM the day before you wish to travel.

Take Citilink Access:

- to work
- to school
- to medical or dental appointments
- shopping
- to visit friends

If you are not sure of a location, simply call the **Citilink Access** information number, and we will find out for you. If you like, a friend or relative may accompany you on your trip.

All passengers (except necessary Personal Care Attendants) must pay the **Citilink Access** fare which is \$2.50 each one-way.

Citilink Access drivers may pick you up and drop you off at your curbside, but for security

reasons and for efficiency, may not enter your home or business. Therefore, please remember to make appropriate arrangements in advance.
