Allen County Council on Aging Rural Transportation Program

Countilink

Federal funding was secured by Allen County Council on Aging to provide rural transportation to all residents of Allen County. This program is available for a one-way trip fee of \$5.00.

Seniors age 60 and over no charge with a *suggested* donation of \$2.50 per one-way trip.

For example, if you need transportation from Fort Wayne to Woodburn, Leo or New Haven, or from outlying Allen County towns into Fort Wayne or other Allen County towns, you would qualify for Countilink.

Trips are provided to the doctor, pharmacy, grocery store, shopping, beauty/barber shop—anywhere you may need to go in Allen County.

This new public transportation service will be provided in Allen County where Citilink does not provide bus or van service – transit trips that end and/or begin outside of Fort Wayne. So for example, a mother with two children living just outside of Monroeville needing to take her children to Park-view Hospital on State Street will be able to do so via public transportation. This new service will be able to transport people of all ages in rural Allen County.

Times:

Transportation is offered Monday through Friday from 8:15 a.m. to 4:00 p.m. Call between 7:30 a.m. and 4:00 p.m. to schedule a trip. All trips may be scheduled up to one month in advance. Trips are by reservation only. All riders must register over the phone or in person at least 24 hours in advance. Call 260-424-2010.

Service Area:

All of Allen County

Price:

\$5.00 one-way trip fee; seniors free with a *suggested* donation of \$2.50.

Accessibility:

Full passenger assistance is provided and vans are accessible; however, clients with wheelchairs must have a ramp or, if ambulatory, be able to maneuver on stairs out of their homes.
