

A Better Commute Starts Here

With Commute with Enterprise, you can share a ride to work and save money each month by splitting costs with your coworkers.

How it works:

1 Get Together
We'll connect you with 4-15 coworkers who live near you.

2 Choose Your Vehicle
Select a spacious, recent-model SUV, crossover or van.

3 Get Going
Drivers take turns, giving everyone time to relax.

4 Enjoy The Ride
Use your time your way, enjoy the savings and less hassle.

Your Benefits:

- ✓ Share your Commute costs with coworkers and save up to \$120/week*
- ✓ Reliable and spacious recent-model SUV, crossover or van
- ✓ Flexible schedule to match your shift
- ✓ Round-trip ride: home-to-work or meet-up at a convenient location
- ✓ 24/7 roadside assistance and preventative maintenance included
- ✓ Full coverage vehicle insurance
- ✓ Month-to-month flexibility

TAKE CONTROL OF YOUR RIDE TO WORK

- ✓ Ride to work every day in a contained and controlled environment with people you know and trust.
- ✓ Receive a Complete Clean Starter Kit and best practices checklist to help your crew share responsibilities and keep your vehicle safe.
