FOR IMMEDIATE RELEASE

Citilink Now Offers Free Wi-Fi on All Buses and at Central Station!

Are you running late to work? If you're on a Citilink bus, you can now use free Wi-Fi to send that important email or find out what your friends are doing on social media. Citilink prioritizes customer-friendly amenities that ensures we offer the best customer service to its riders.

The entire fleet of buses has been outfitted with equipment enabling Wi-Fi while the vehicles are on the road. To use the Citilink free Wi-Fi, simply go to the Wi-Fi settings on your phone and select Citilink Public Wi-Fi, and accept the Terms of Use to connect. No password is required.

"We are excited to add this feature to our transit vehicles," said Maurice Pearl, Citilink General Manager. "The Citilink Wi-Fi connection allows our customers to stay connected when they ride on our buses."

"It's important for our passengers to have connectivity while riding a Citilink bus and we are pleased that we are able to provide this free service to our customers," said Sherese Fortriede, Citilink Board Chair.
