The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or to contracts for transportation or transmission of intelligence.

In the event of any violation of the clause set forth herein, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, the Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of this clause in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by this clause.

The FTA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in this section.

The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this agreement.

### **Contract Work Hours and Safety Standards for Awards Not Involving Construction**

The Contractor shall comply with all federal laws, regulations, and requirements providing wage and hour protections for non-construction employees, in accordance with 40 U.S.C. § 3702, Contract Work Hours and Safety Standards Act, and other relevant parts of that Act, 40 U.S.C. § 3701 et seq., and U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted

Construction (also Labor Standards Provisions Applicable to Non-construction Contracts Subject to the Contract Work Hours and Safety Standards Act),” 29 C.F.R. part 5.

The Contractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three (3) years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.

Such records maintained under this paragraph shall be made available by the Contractor for inspection, copying, or transcription by authorized representatives of the FTA and the Department of Labor, and the Contractor will permit such representatives to interview employees during working hours on the job.

The contractor shall require the inclusion of the language of this clause within subcontracts of all tiers.

### **Prevailing Wage and Anti-Kickback**

For all prime construction, alteration or repair contracts in excess of \$2,000 awarded by FTA, the Contractor shall comply with the Davis-Bacon Act and the Copeland “Anti-Kickback” Act. Under 49 U.S.C. § 5333(a), prevailing wage protections apply to laborers and mechanics employed on FTA assisted construction, alteration, or repair projects. The Contractor will comply with the Davis-Bacon Act, 40 U.S.C. §§ 3141-3144, and 3146-3148 as supplemented by DOL regulations at 29 C.F.R. part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction.” In accordance with the statute, the Contractor shall pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Contractor agrees to pay wages not less than once a week. The Contractor shall also comply with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by DOL regulations at 29 C.F.R. part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States.” The Contractor is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

### **3.18 RECYCLED PRODUCTS**

Pursuant to 49 U.S.C. § 6962; 49 C.F.R. part 247; and 2 C.F.R. part 200.322:

The Contractor agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962, and U.S. Environmental Protection Citilink (U.S. EPA), “Comprehensive Procurement Guideline for Products Containing Recovered Materials,” 40 C.F.R. part 247.

### **3.19 CONTRACTOR E-VERIFY PROGRAM**

The contractor must verify through Affidavit that it does not knowingly employ any unauthorized aliens. Pursuant to Indiana Code I.C. §22-5-1.7 the Contractor is required to utilize the U.S. Department of Homeland Security’s **E-Verify** system to verify the employment eligibility of all new employees hired by the Contractor during the Contract term. Also, Contractor shall include in related subcontracts a requirement that subcontractors performing work or providing services pursuant to the Contract utilize the E-Verify system to verify employment eligibility of all new employees hired by the subcontractor during the Contract term.

## SECTION 4 – PROPOSAL REQUIREMENTS

### 4.1 PROPOSER COMMUNICATIONS AND REQUEST

- A. All correspondence and/or contact concerning any aspect of this solicitation or offers shall be with the Contracting Officer. Proposers and their representatives shall not make any contact with or communicate with any members of CITILINK, or its employees and consultants, other than the Contracting Officer concerning any aspect of this solicitation or offers. Proposers may be disqualified if any unsolicited contact related to this solicitation is made with an employee or representative of CITILINK other than the Contracting Officer.
- B. At any time during this procurement up to the time specified, Proposers may request in writing, a clarification or interpretation of any aspect, or a change to any requirement of the RFP or any addenda to the RFP. Requests may include suggested substitutes for specified items and for any brand names. Such written requests shall be made to the Contracting Officer. The Proposer making the request shall be responsible for its proper delivery to CITILINK. CITILINK will not respond to oral requests. Any request for a change to any requirement of the contract documents must be fully supported with technical data, test results, or other pertinent information evidencing that the exception will result in a condition equal to or better than that required by the RFP, without substantial increase in cost or time requirements. Any responses to such written requests shall be provided by CITILINK in the form of addenda only. Only written responses provided as addenda shall be official and no other forms of communication with any officer, employee or agent of CITILINK shall be binding on CITILINK.
- C. The Proposer's Request for Clarifications must be received by Monday, September 26, 2022, end of business day.
- D. If it should appear to a prospective Proposer that the Scope of Services, is not sufficiently described or explained in the RFP or Contract documents, or that any conflict or discrepancy exists between different parts thereof or with any federal, state, local law, ordinance, rule, regulation, or other standard or requirement, the Proposer shall submit a written request for clarification to CITILINK within the time period specified.

### 4.2 ADDENDA TO THE RFP

- A. CITILINK reserves the right to amend the RFP at any time. Any amendments to or interpretations of the RFP shall be described in written addenda. CITILINK shall provide copies of addenda to all prospective Proposers officially known to have received the RFP. Prospective Proposers, or their agents, shall be responsible to collect the addendum at the address provided or receive the same otherwise. Failure of any prospective Proposer to receive the notification or addendum shall not relieve the Proposer from any obligation under its proposal as submitted or under the RFP, as clarified, interpreted or modified. All addenda issued shall become part of the RFP. Proposers shall acknowledge the receipt of each individual addendum and all prior addenda in their proposals. Failure to acknowledge in their proposals receipt of addenda may, at CITILINK's sole option disqualify the proposal. Proposers must notify CITILINK promptly in writing of any address changes.
- B. If CITILINK determines that the addenda may require significant changes in the preparation of proposals, the deadline for submitting the proposals may be postponed by the number of days that CITILINK determines will allow Proposers sufficient time to revise their proposals. Any new due date shall be included in the addenda.

#### **4.3 CONDITIONS, EXCEPTIONS, RESERVATIONS OR UNDERSTANDING**

- A. Proposals stating conditions, exceptions, reservations or understandings (hereinafter deviations) relating to the RFP may be rejected.
- B. Any and all deviations must be explicitly, fully and separately stated in the proposal by setting forth at a minimum the specific reasons for each deviation so that it can be fully considered and evaluated by CITILINK. All deviations not found to be unacceptable shall be evaluated in accordance with the appropriate evaluation criteria and procedures, but may result in the Proposer receiving a less favorable evaluation than without the deviation.

#### **4.4 AUTHORIZED SIGNATURES**

Every proposal must be signed by the person or persons legally authorized to bind the Proposer to a contract for the execution of the work and services. Upon request of CITILINK, any agent submitting a Proposal on behalf of a Proposer shall provide a current power of attorney certifying the agent's authority to bind the Proposer. If an individual makes the Proposal, their name, signature, and address must be shown. If a firm or partnership makes the proposal, the name and address of the firm or partnership and the signature of at least one of the general partners must be shown. If a corporation makes the proposal, the proposal shall show the name of the state under the laws of which the corporation is chartered, the name and address of the corporation and the title of the person signing on behalf of the corporation. Upon request of CITILINK, the corporation shall provide a certified copy of the bylaws or resolution of the board of directors showing the authority of the officer signing the proposal to execute contracts on behalf of the corporation.

#### **4.5 MODIFICATION OR WITHDRAWAL OF PROPOSALS**

- A. A modification of any part of a proposal already received will be accepted by CITILINK only if the modification is received prior to the Proposal Due Date.
- B. A Proposer may withdraw the entire proposal already received prior to the Proposal Due Date by submitting a written request for withdrawal executed by the Proposer's authorized representative. After the proposed Due Date, a proposal may be withdrawn only if CITILINK fails to award the Contract within the proposal validity period or any agreed upon extension thereof. The withdrawal of a proposal does not prejudice the right of a Proposer to submit another proposal within the time set for receipt of proposals.
- C. This provision for modification and withdrawal of proposals may not be utilized by a Proposer as a means to submit a late proposal and, as such, will not alter CITILINK's right to reject a late proposal.

#### **4.6 PROPOSAL EVALUATION, NEGOTIATION AND SELECTION**

##### **A. General Information**

1. Proposals will be evaluated, negotiated, selected and any award made in accordance with the criteria and procedures described in this section. Subject to CITILINK's right to reject any or all proposals, the Proposer will be selected whose proposal is found to be most advantageous to CITILINK, based upon consideration of the criteria. During the initial review of proposals, CITILINK reserves the right to request clarification of minor issues from any Proposer to assure a complete understanding of their offer and to adjust any evaluations made with incorrect or unclear information.
2. CITILINK will consider all the material submitted by the Proposer and related evidence CITILINK may determine whether the Proposer is capable of and has a history of successfully completing contracts of the type solicited. A clear and complete response to the solicitation is critical so that the evaluation team may adequately understand all aspects of the proposal.

3. Proposers shall furnish acceptable evidence of their ability to perform, such as financial stability and the ability to obtain the necessary personnel when requested by CITILINK. Refusal to provide requested information may cause the proposal to be rejected.
4. The evaluation team will make such investigations as are considered necessary for complete evaluation. The evaluation panel will employ those evaluation criteria set forth in this solicitation or in addenda that may be issued. The evaluation criteria shall be deemed to include any unstated sub criterion that logically might be included within the scope of the stated criterion.
5. CITILINK reserves the right to select proposals that are in a competitive range, conduct discussions, and request Best and Final Offers. CITILINK also reserves the right to make an award without discussions or requesting Best and Final Offers.

### **B. Opening of Proposals**

Proposals will not be publicly opened. All proposals and evaluations will be kept strictly confidential, as allowed by law, throughout the evaluation, negotiation and selection process. Only the members of the evaluation team and other CITILINK officials, employees and agents that have a legitimate interest will be provided access to the proposals and evaluation results during this period.

### **C. Evaluation Criteria**

The following factors will be used as a guideline to evaluate the proposal:

1. Project Approach
2. Qualifications, Related Experience, Personnel and References
3. Cost Proposal
4. Conformance to Requirements and Specifications

### **D. Evaluation Procedures**

1. Proposers may be invited to interview with the Evaluation Team. The Evaluation Team reserves the right to interview the Proposer(s) it selects. The Evaluation Team has no obligation to interview any or all Proposer(s).
2. Evaluations will be made in strict accordance with all of the evaluation criteria and procedures. CITILINK will select for any award the highest ranked proposal from a responsible, qualified Proposer, which does not render this procurement financially infeasible and is judged to be most advantageous to CITILINK based on consideration of the Evaluation Criteria.

### **E. Confidentiality of Proposals**

1. Access to government records is governed by the State of Indiana. Except as otherwise required by the State of Indiana, CITILINK will be exempt from disclosure of proprietary information, trade secrets and confidential commercial and financial information submitted in the proposal. Any such proprietary information, trade secrets or confidential commercial information, which a Proposer believes should be exempted from disclosure, shall be specifically identified and marked as such. Blanket-type identification by designating whole pages or sections as containing proprietary information, trade secrets or confidential commercial and financial information will not assure confidentiality. The specific proprietary information, trade secrets or confidential commercial and financial information must be clearly identified as such.

2. The Proposer shall submit proprietary information, trade secrets or confidential commercial and financial information, which a Proposer believes should be exempted from disclosure, in a separate volume specifically identified and marked as such as an appendix to the proposal.
3. Upon a request for records from a third party regarding this proposal CITILINK will notify in writing the party involved. The party involved shall indemnify CITILINK's defense costs associated with its refusal to produce such identified information; otherwise, the requested information may be released.
4. CITILINK shall employ sound business practices no less diligent than those used for CITILINK's own confidential information to protect the confidence of all licensed technology, software, documentation, drawings, schematics, manuals, data and other information and material provided by Proposer and the Contractor pursuant to the Contract which contain confidential commercial or financial information, trade secrets or proprietary information as defined in or pursuant to the State of Indiana against disclosure of such information and material to third parties except as permitted by the Contract. The Contractor shall be responsible for ensuring that confidential commercial or financial information, trade secrets or proprietary information, with such determinations to be made by CITILINK in its sole discretion, bears appropriate notice relating to its confidential character.

#### **4.7 RESPONSE TO PROPOSALS**

- A. Notice of award of the Contract shall be deemed to include all provisions of this RFP, and all provisions required in public contracts by local, state and federal law.
- B. Notice to Unsuccessful Proposers
  1. CITILINK will inform unsuccessful Proposers who were within the competitive range at the time negotiations closed of the following information:
    - a. The number of proposals CITILINK received.
    - b. The name of the successful Proposer.
  2. CITILINK will try to give the notice under this paragraph promptly after the contract award. CITILINK's failure to give that notice shall not be deemed to affect the validity of the contract.
- C. Acceptance/Rejection of Proposals
  1. CITILINK reserves the right to reject any or all proposals for sound business reasons, to undertake discussions with one or more Proposers, and to accept that proposal or modified proposal which, in its judgment, will be most advantageous to CITILINK, price and other evaluation criteria considered. CITILINK reserves the right to consider any specific proposal that is conditional or not prepared in accordance with the instructions and requirements of this RFP to be non-competitive. CITILINK reserves the right to waive any defects, or minor informalities or irregularities in any proposal that do not materially affect the proposal or prejudice other Proposers.
  2. If there is any evidence indicating that two or more Proposers are in collusion to restrict competition or otherwise engaged in anti-competitive practices, the proposals of all such Proposers shall be rejected and such evidence may be a cause for disqualification of the participants in any future solicitations undertaken by CITILINK.
  3. CITILINK may reject a proposal that includes unacceptable deviations.
- D. Single Proposal Response

If only one proposal is received and it is found by CITILINK to be acceptable, a detailed price/cost proposal may be requested of the single Proposer. A price or cost analysis, or both, possibly including an audit, may be performed by or for CITILINK of the detailed price/cost proposal in order to determine if the price is fair and reasonable. The Proposer has agreed to such analysis by submitting a proposal in response to this RFP. It should be recognized that a price analysis through comparison to other similar procurements must be based on an established or competitive price of the elements used in the comparison. The comparison must be made to a purchase of similar quantity, involving similar specifications and in a similar period. Where a difference exists, a detailed analysis must be made of this difference and costs attached thereto. Where it is impossible to obtain a valid price analysis, it may be necessary to conduct a cost analysis of the proposed price. A cost analysis is a more detailed evaluation of the cost elements in the Proposer's Offer. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Proposer's performance should cost. A cost analysis is generally conducted to determine whether the Proposer is applying sound management in proposing the application of resources to the contracted effort and whether costs are allowable, allocable, and reasonable. Any such analyses and the results there from shall not obligate CITILINK to accept such a single proposal; and CITILINK may reject such proposal at its sole discretion.

#### E. Cancellation of Procurement

CITILINK reserves the right to cancel the procurement, for sound business reasons, at any time before the Contract is fully approved and executed on behalf of CITILINK. CITILINK will not pay Proposers any costs incurred in the preparation of a proposal responding to this RFP.

### 4.8 PROTEST PROCEDURES

#### a. General Procedures

- A. Any Proposer or Contractor whose direct economic interest would be affected by the award of the Contract or the failure to award the Contract may file a protest, claim or dispute with CITILINK pursuant to these protest procedures prior to filing any protest, claim or dispute with the FTA.
- B. Protests, claims or disputes, where applicable, shall be in writing and filed with CITILINK directed to the General Manager, 801 Leesburg Rd, Fort Wayne, IN 46808. Failure to comply with any of the requirements may result in rejection of the protest.

#### b. Protest Before Proposal Opening

- A. Protests shall be submitted in writing prior to the opening of proposals, unless the aggrieved person did not know and could not have known of the facts giving rise to such protest prior to the opening. In that case, the protest shall be submitted within five (5) calendar days after such aggrieved person knows or should have known of the facts giving rise to the protest. The protest shall clearly identify:
  1. The name, address, and telephone number of the protester
  2. The grounds for the protest, any and all documentation to support the protest and the relief sought

Such protest must be filed no later than five (5) calendar days from the notice of intent to award or non-award of the procurement Contract.

B. Any protests, disputes, or claims with respect to the award of a Contract through solicitation of proposals shall be submitted in writing within five (5) days of notification of such award to the General Manager for a decision. All claims shall clearly identify:

1. The name, address, and telephone number of the protester
2. The grounds for the protest, any and all documentation to support the protest and the relief sought
3. Steps that have been taken to date in an attempt to correct the alleged problem or concern.

A written decision by the CITILINK General Manager stating the grounds for allowing or denying the protest will be mailed to the protestor prior to execution of the Contract. Such decision shall be final unless the Board of Directors accepts an appeal of the General Manager's decision.

#### C. FTA Protest Procedures

FTA will only review protests regarding the alleged failure of CITILINK to have written protest procedures, or the alleged failure to follow such procedures. An alleged violation on other grounds falls under the jurisdiction of the appropriate State or local administrative or judicial authorities. Alleged violations of a specific federal requirement that provides an applicable complaint procedure shall be submitted and processed in accordance with the Federal regulation. FTA will only review protest submitted by an intercede party as defined in FTA 4220.1F. FTA's decision on any appeal will be final.

### **4.9 PROPOSAL AS A CONTRACT**

Each proposal will be submitted with the understanding that acceptance in writing by CITILINK of the offer to furnish the products or services described shall bind the Proposer to furnish and deliver at the proposed price and in accordance with the specifications, terms and conditions, and other requirements detailed in the RFP or subsequent addendum.

#### **4.10 WAIVER**

The Proposer shall represent and warrant that they have sufficiently informed themselves in all matters affecting the performance of the work called for in the scope of this project; that they have checked the proposal for errors and omissions; that the prices stated in the proposal are correct and as intended by them and is a complete and correct statement of the prices for performing the work required.

#### **4.11 CONTRACT AWARD AND EXECUTION**

The acceptance of an Offer for award, if made, shall be evidenced by a notice of award of Contract in writing delivered in person or by registered mail to the Offeror whose Offer is accepted. No other act by CITILINK shall evidence acceptance of an Offer. Such notice shall obligate said Offeror to commence performance under the Contract as specified in Production of Documents.

#### **4.12 CONTRACT DOCUMENTS AND PRECEDENCE**

The documents embodying the legally binding obligations between CITILINK and the Contractor for the work to be performed under the Contract consist of the documents listed below. The Contract documents constituting the Contract between CITILINK and the Contractor are intended to be complementary so that what is required by any one of them shall be as binding as if called for by all of them. In the event of any

conflicting provisions or requirements within the several parts of the Contract Documents, they shall take precedence in the following order:

- A. The Contract, together with any written change orders or amendments executed subsequent to the Contract, attached exhibits which are part of the Contract as well as documents incorporated in the Contract by reference.
- B. CITILINK's Specifications and all Terms and Conditions incorporated in the Contract by reference.
- C. The Contractor's Proposal, as accepted by CITILINK.
- D. CITILINK's Solicitation Package.
- E. In CITILINK'S discretion, an agreement covering terms appropriate for a Contract of this nature not covered in this Request for Proposal and the Contractor's Proposal.

#### **4.13 CONTRACTOR CHANGES**

Any proposed change in this Contract shall be submitted to CITILINK for its prior approval.

#### **4.14 WRITTEN CHANGE ORDERS**

Oral change orders are not permitted. No change in this Contract shall be made unless the Contracting Officer gives prior written approval therefore. The Contractor shall be liable for all costs resulting from, and/or for satisfactorily correcting, any specification changes not properly ordered by written modification to the Contract and signed by the Contracting Officer.

#### **4.15 CHANGE ORDER PROCEDURE**

As soon as reasonably possible but no later than thirty (30) calendar days after receipt of the written change order to modify the contract, the Contractor shall submit to the contracting Officer a detailed price and schedule proposal for the work to be performed. This proposal shall be accepted or modified by negotiations between the Contractor and the Contracting Officer. At the time a detailed modification shall be executed in writing by both parties. Disagreements that cannot be resolved within negotiations shall be resolved in accordance with the contract disputes clause.

#### **4.16 PRICE ADJUSTMENT FOR REGULATORY CHANGES**

The parties to the contract are the Procuring Agency and the Offeror as set out in the accepted Offer.

#### **4.18 SUCCESSION**

The Contract will be binding on the parties, their successors, and assigns.

#### **4.19 SPECIFICATIONS AND OFFER OMISSIONS**

1. The Contractor shall have the responsibility of providing all services required to meet the requirements of the Scope of Services.
2. Any request, condition, exception, reservation, understanding or other deviation by Contractor not separately stated as required by Instructions to Offerors by completing the specified form(s) shall be invalid and shall not be binding on CITILINK.

#### **4.20 TERMINATION FOR CONVENIENCE**

CITILINK, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, CITILINK shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

#### **4.21 TERMINATION FOR DEFAULT**

If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will ensure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provision of this contract, CITILINK may terminate this contract for default. The CITILINK shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, the CITILINK may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plants on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the CITILINK resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the CITILINK in completing the work.

The Contractor's right to proceed shall not be terminated nor shall the Contractor be charged with damages under this clause if:

1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of CITILINK, acts of another contractor in the performance of a contract with CITILINK, epidemics, quarantine restrictions, strikes, freight embargoes; and
2. The Contractor, within [10] days from the beginning of any delay, notifies CITILINK in writing of the causes of delay. If, in the judgment of CITILINK, the delay is excusable, the time for completing the work shall be extended. The judgment of CITILINK shall be final and conclusive for the parties, but subject to appeal under the Disputes clause(s) of this contract.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of CITILINK.

#### **4.22 DISPUTES**

1. Disputes arising in the performance of this Contract, which are not resolved by agreement of the parties, shall be decided in writing by the authorized representative of CITILINK's General Manager. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the General Manager. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the General Manager shall be binding upon the Contractor and the Contractor shall abide by the decision.
2. Unless otherwise directed by CITILINK, Contractor shall continue performance under this Contract while matters in dispute are being resolved.
3. Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for whose acts they are legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

4. Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the CITILINK and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Indiana.
5. The duties and obligations imposed by the Contract Documents and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by CITILINK, or the Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or consent in any breach hereunder, except as may be specifically agreed in writing.

#### **4.23 COMMUNICATIONS**

Communications in connection with this Contract shall be in writing and shall be delivered personally; by electronic mail; by facsimile; or by regular, registered, or certified mail addressed to the officer(s) or employee(s) of CITILINK and of the Contractor designated to receive such communications. CITILINK shall have the right to be represented therein by advisory counsel of its own selection at its own expense.
2. The obligations of the Contractor shall not extend to circumstances where the injury, or death, or damages is caused solely by the negligent acts, errors or omissions of CITILINK, its officers, employees, agents or consultants, including negligence in (1) the preparation of the Contract documents, or (2) the giving of directions with respect to the requirements of the Contract by written order. The obligations of the Contractor shall not extend to circumstances where the injury, or death, or damages is caused, in whole or in part, by the negligence of any third part operator, not including an assignee or subcontractor of the Contractor, subject to the right of contribution as provided in the next sentence below In case of joint or concurrent negligence of the parties hereto giving rise to a claim or loss against either one or both, each shall have full rights of contribution from the other.

3. Nothing in this Contract shall be construed to waive CITILINK's immunities or liability limits provided under applicable state or federal law.

#### **4.25 NO OBLIGATION BY THE FEDERAL GOVERNMENT**

CITILINK and the Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to CITILINK, Contractor, or any other party (whether or not a part to that Contract) pertaining to any matter resulting from the underlying Contract.

#### **4.26 PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS AND RELATED ACTIONS**
