Fort Wayne Citilink announces new General Manager

Maurice (Reese) Pearl has been hired to serve as General Manager for the Fort Wayne Public Transportation Corporation/Citilink. "The Citilink board conducted a diligent nationwide search process to select the best person for the position. We are confident that he will carry out the vision created by our Citilink 2030 long range strategic plan that is currently underway" stated Board Chair Sherese Fortriede.

Mr. Pearl is a former Hoosier and has served as General Manager of the public transit systems in Evansville and South Bend. Most recently he has been managing transit systems in Texas. "I am from Indiana, and wanted to get back. I am excited about joining the efficient and dedicated Citilink team" said Pearl.
